

CTFI Umpire Selection “Umpire History Form”: Revised January 30, 2019

Purpose: The purpose of this form is help the CTFI Board of Directors decide on who should be sent to represent CANADA as umpires for international events, and how much funding will be provided by the CTFI to attend the event. This is meant to provide “fairness” and “transparency” in the selection process.

Please ensure that you fill out the form completely in chronological order with the most recent competitions and courses listed first. Make sure to include the date, name, location, and # of points earned for each event. See the “**Point System**” information sheet to determine **# of points earned per event**. This form will become your **umpire resume’** and you will be able to add to it as you attend future events. **Note:** If needed, just add more rows to capture your entire umpire history.
