COACHES, please make it clear to your members that they must not try to make their own registration – if they do try it will be rejected.

If a coach already has a Club account in SportData that was used for a previous event, they can re-use that account.

See the additional document "COACHES – how to create Club Account and register competitors, coaches and umpires" for a tutorial showing how to create an account and how to register competitors and umpires. This document is found under the "Downloads" button on the SportData web page for the event or go to the link below:

Registration will require an "International ID" number for all competitors.

Colour Belts: enter "N/A" as the International ID number.

Black Belts: enter the International ID number found on the Black Belt wallet card (see image below circled in red).

Notes to Coaches:

1. Degree number (i.e. C-1-1234) is **NOT** acceptable
2. The International ID number does not change as a competitor moves up in rank. If their number is 123456 as a 1st Dan Black Belt, it will also be 123456 if they are promoted to 2nd Dan. Therefore, if they recently have tested and do not have their new card, they can obtain their number from their old wallet card.
3. For competitors who have recently examined for 1st Dan Black Belt rank and have not yet received their new wallet card, please request the ID number from Ms. Stone at ctfihq@gmail.com.

Instructor Check-in

All instructors or coaches must report to the tournament check-in and pick up the dobok stickers for their competitors. Instructors are responsible for making sure competitors have these stickers on their dobok as proof that they are registered competitors.

Instructor/Coach Check-in will be available on Friday November 25, 2022 at the host hotel from 4pm until 6pm and at the tournament venue on Saturday November 26, 2022 from 7:30pm until 8:30 pm.

All Black Belts, all ages, must be certified with ITF headquarters. When using the on-line registration process, there will be a space for providing the Black Belt ITF ID number (see above). 1st Degree Black Belts who were recently promoted may not have their certification cards yet. Their registration should list their International ID number as "Pending" and their certification will be confirmed with CTFI Headquarters. When using the on-line registration process, there will be a space for providing the Black Belt ITF ID number (see above).

All Black Belts must show their ITF Black Belt registration card at the Weight Check/Check-in (see below). A photocopy of the Black Belt certificate showing name, rank and date information as well as the name of the ITF President is acceptable. Any Black Belt without appropriate proof of certification in the ITF will be disqualified with no refund of event fees.

Black Belts not competing in sparring **MUST** check-in and show ID to confirm Black Belt status. Failure to do so will result in disqualification.

Category Merging for Black Belts

Any Black Belt sparring category, including the Pre-Jr., Junior and Senior categories, may be merged if there are 2 or less competitors, they will always be merged within the same age group. This is to ensure there are no competitors alone in their category and improve competition for the athletes. Seeding points will be awarded regardless of which category the athletes compete in. Refer to CTFI Team Manual for full details of Seeding point system.

Weight Verification

All Black Belts (all ages) must have their weight category verified at the weigh-ins. Weigh-in procedure will follow ITF World Junior/Senior Championships rules. Black Belts must present their Black Belt certification card at the weight check.

Black Belts in Cadet (age 10-11), Super Senior (age 36-45) and Veteran (age 46+) categories must be within +/- 3kg of their stated weight or they will be disqualified.

Pre-Junior, Junior and Senior Black Belts (age 12-35) in unmerged categories must fall within their registered weight categories or they will be disqualified.

Where categories for Pre-Junior, Junior or Senior Black Belts (age 12-35) have been merged the competitor must fall within the weight bounds of the merged category. These weight boundaries will respect the ITF category boundaries listed above.

Examples:

1. Sr. Male categories (a), (b) and (c) are merged. The weight boundaries for the new category will be "Up to 69kg"
2. Jr. Female categories (e) and (f) are merged. The weight boundaries for the new category will be "57.1 to 65kg".

Weight checks will be available on Friday November 25, 2022 at the host hotel from 4pm until 6pm and at the tournament venue on Saturday November 26, 2022 from 7:30am until 8:30 am.

Black Belt Age Categories:

NOTE: ITF has implemented new age categories and a new age qualification requirement. These will be implemented for the 2022 Nationals.

Valid Age for Category

The valid age for all competitors during the competition is the age at which they enter the year. To calculate this age, use the following formula:

Year of competition - Year of birth - 1 = Competitors valid age during the competition

Examples:

1. Year of event 2022 - Year of birth 2004 - 1 = 17
This Competitor is only allowed to compete as a Junior

2. Year of event 2022 - Year of birth 2003 - 1 = 18
This Competitor is only allowed to compete as a Senior

3. Year of event 2022 - Year of birth 2007 - 1 = 14
This Competitor is only allowed to compete as a Pre-Junior

New Black Belt Age Categories

Black Belt Age Categories are also changing slightly to allow a Pre-Junior category for ITF International competition. The 2022 Nationals will have the following Black Belt age categories for both patterns and sparring:

Cadet	age 10-11
Pre-Junior	age 12-14
Junior	age 15-17
Senior	Age 18+
Super Senior	Age 36+
Veteran	Age 46+

NOTE: Black Belts age 36+ may choose to enter the Senior Age 18+ category. This will result in a higher entry fee. Categories for Black Belts age 36+ may be merged if there are less than 3 competitors.

Black Belts Competing Up

Exact circumstances under which "Competing Up" is allowed are detailed in the current CTFI Team Manual, which is available on the "Resources and Downloads" page of the CTFI web site (refer to Appendix A). Coaches must register competitors for their normal category then make an email request to the Tournament Director to compete up. Please note the new Age Qualification rules and categories listed above.

Colour Belt Age Categories

Minimum age is 5 years old. As per CTFI competition rules, the appropriate age division for all competitors will be determined based on the age of the person on the first day of the Tournament - November 26, 2022. Please note that Colour Belt age divisions with less than 3 people may be merged with other groups. Best effort will be made to create categories that are close in rank and age.

TOURNAMENT RULES

All events at this tournament will follow the Canadian Taekwon-Do Federation International (CTFI) Rules for Coloured Belt Competition and the International Taekwon-Do Federation (ITF) Combined Competition Rules and Regulations. Copies of these rules are available on the CTFI website under the "[Downloads and Resources](#)" section.
